

# Robotics Showcase Extravaganza 2024

Saturday, May 18th • 10am - 1pm

Robotics teams help young people develop skills in engineering, coding and construction. Teams from local schools and the San Carlos neighborhood will display and explain their robotic creations. Aguirre Tech will also be attendance flying drones. Come learn how to get your children involved in this exciting career path.

Did You Know There  
are Robots in  
San Carlos?
