June 4th - June 30th • Winer Family Community Room

The vibrant textural works of Lucas Smith will be on display in the Winer Family Community Room & Art Gallery for the Month of June! Smith brings a fresh perspective to abstract art, blending imagination, raw materials and refined techniques to create pieces that invite viewers on a journey of exploration. After moving from the Midwest to San Diego in 2021, he immersed himself in the local art scene through classes and workshops, including the San Diego Watercolor Society, where he now serves as Assistant Director of the 2025 International Exhibition.
